New 25,000 sq. ft. StoneRidge Preview Center and Mountain Springs Clubhouse/Pool Area introduced at Welk Resorts San Diego

The spectacular new 25,000 sq. ft. Mountain Springs Clubhouse and StoneRidge Preview Center is now open at the new Mountain Villas section at Welk Resorts San Diego.

Designed by award-winning Patricia Kane of Chicago's Studio PK Interiors, Inc.,

the two-story sales facility includes an **owners' lounge, theater** and a **kids' club** to entertain the younger set (with separate areas for teens and "small fry") while parents are participating in sales presentations. The center is lavishly furnished throughout with furniture, fabrics, art, and wall treatments, all custom-made exclusively for Welk Resorts.

"Many of the furnishings and decorations have been uniquely handcrafted specifically for Welk Resorts," said Jeff Edwards, Vice President of Development for Welk Resorts.

The handcrafted décor is found throughout the facility. In fact, many fixtures and decorations in the hallways, stairways and bathrooms are some of the more eye-catching in the entire project.

Although the vast majority of the space in the building is dedicated to the StoneRidge Preview Center, the Mountain Springs Clubhouse area has been added for enjoyment for all owners and guests. This addition is the fifth recreation center on-site at Welk Resorts San Diego.

The **owners' lounge** will provide an opportunity for people to come indoors and enjoy a big screen TV, computers and game tables...or simply relax and unwind. In addition, just outside the lounge there

From The Desk of...

David M. Rice, CHA

Vice President of Resort Operations

With the arrival of spring, we invite you to dust off your suit cases and come for a visit to one of the many fantastic properties that make up the Welk Resorts. There's a lot of excitement going on and we are eager to share it with you.

At Lawrence Welk's Desert Oasis, 64 of the 162 total villas have been renovated, completing the first two phases of the project. The warm desert earth tones are featured on the walls and throughout the villas. Each villa has received new furniture, carpeting, and bed linens finishing off a refreshingly modern feel for our owners to enjoy.

Offering year-round amenities for our owners and guests is a priority at Welk Resort Branson. The climate controlled atmosphere of the Natatorium/Aquatic Center is sure to please everyone during all seasons and weather conditions. This new amenity is scheduled to open spring of 2009 and will feature a 3500 sq. ft. indoor/outdoor heated pool, a 117 ft. water

slide, a jacuzzi, children's play area and BBQ areas.

At Welk Resorts San Diego, we take great pride in the appearance of our golf courses. To maintain the beautiful conditions of each course and keep them green throughout the year, we complete a proactive process in September/October of each year referred to as over-seeding. Unfortunately, the process takes approximately 3 weeks from start to finish. As a result, we schedule the process on a two-year rotation (Sept. 2008, Oct. 2009, etc.). In addition, we offer our guests discounted golf rates during the process. If you have any questions feel free to contact our Head Golf Professional at 1-760-749-3182 Ext. 22151.

The Canyon Grille, at the Welk Resort San Diego, has new menus offering a wide variety of mouth watering dishes including California Cuisine, Traditional Favorites, South of the Border, and Light and Lively. Plus, back by popular demand, Lawrence Welk's favorite Chicken and Dumplings has been added to our list of Signature Items. Our friendly servers await your arrival for breakfast, lunch or dinner.

I am pleased to announce the re-opening of Welk Resort San Diego's Conference Center. Thinking of throwing a birthday party or family reunion? Consider a cozy

fireside setting or a big bash on the patio overlooking the Oaks Course. Adriene Edwards, Director of Guest Relations, and our Food and Beverage Team can coordinate it all for a price that will work within your budget.

Welk Resorts San Diego has added several new faces to our managerial team. Please welcome Jeremy Graham, Security Manager, Donna Carig, Food and Beverage Manager, Matt Higginson, Front Office Manager and Ken Hopkins, Project Manager. Each come with a wealth of expertise and help to complete the exceptional team of associates who are dedicated to exceeding our Owner's and guests' expectations by providing gracious service and experiences worth repeating.

Last, but certainly not least, it gives me great pleasure to inform you we now offer free in-room internet access at all of our resorts.

As always, you are welcome to drop by and visit with me when you are staying at the resort or please feel free to e-mail your suggestions to me anytime at drice@welkgroup.com.

The pool area also includes a large **waterslide** set into a rocky landscape, a **grotto spa**, and the ambiance of an inviting **fire pit**. San Diego Owner Services

We have a new survey system, so don't be surprised when you receive a request to fill out a Welk Comment card by email after your check-out. Your input is very important to our growth and continued efforts to improve our services. Please share your concerns, suggestions and ideas.

If you stayed with us through an exchange company, you will receive a separate survey from them. When filling out their survey remember, your response affects your resort quality rating. In order to remain a Gold Crown resort through RCI and the Premier Designation through Interval, we need your support by rating us high (5's are Excellent).

To ensure we provide the best vacation experience and to protect your ownership value, we have implemented a new resort-wide commitment.

WE STRIVE FOR FIVES

We strive for guest satisfaction, continuous improvement, and overall excellence in your stay at Welk Resorts. If something is not to your satisfaction during your stay, please give us the opportunity to resolve the challenge by contacting Guest Services. Then score us a "5".

Frequently Asked Questions:

Exchanging:

Q: How do I deposit with an exchange company?

- If you own the original fixed weeks at Lawrence Welk Resort Villas, you may call the exchange company directly. Remember all assessment fees for current and future year deposits must be paid first.
- If you own Villas on the Greens or Platinum Membership Club points, just call Owner Services at 800-240-9342 and we will assign a week and place it directly into your exchange account. Let us know if you would like to deposit a One Bedroom (120,000 points) or a Two Bedroom (240,000 points). Please keep in mind that all fees must be current. If you wish to deposit weeks/points for a future year, Maintenance Fees for that year must be prepaid.
- We will be happy to collect the fees over the phone by credit card.

Q: How early can I deposit my week with an exchange company?

- You may deposit your week with an outside exchange company fourteen (14) months in advance of your "use" year. All fees must be current and prepayment of your Maintenance Fees for future years will be required.

Q: Can I deposit a future year?

Q: Can I split my week with an exchange company?

- The exchange companies will only accept deposits in full week increments. Please call Owner Services at 800-240-9342 for more information.

Exchange Tips:

Your Welk ownership gives you exceptional trading power and will get you into top resorts worldwide by following these simple steps.

Plan early and be flexible. Most top resort locations have a waiting list. Deposit your week and place your request well in advance of your desired travel date. This gives you priority and puts you at the top of the list. When the owner at the resort(s) you are looking for banks their week, the next person on the top of the waiting list will be contacted. This is called a "pending request".

1. Plan six to twelve months prior to the date you want to travel, based on the travel season.
2. Bank/Deposit your week with the exchange company. Call Welk Owner Services at **800-240-9342**.
3. Choose 3-4 resorts in the vacation destination of your choice.
4. Be Flexible. Choose 2 or more weeks you may be able to travel.
5. Call the Exchange Company, pay the exchange fee and give them the dates and resort choices. They will open a search. Their computer searches 24 hours a day, 7 days a week for a vacation match.
6. They will contact you with the match and confirmation.

Options, options, options. Allow the Exchange Company as much flexibility as possible, while at the same time conveying to them your needs. If you are not flexible on dates, make sure you give 5 or more resort choices. If you are not flexible on resort choices, make sure you give as many date choices as possible.

Stop by and meet our new Interval International representative Marilyn Fraser. She is available from 9:00 am to 4:00 pm daily, except for Sat. and Wed. Dial 760-651-3244 for an appointment.

For RCI owner assistance, please call the RCI Welk hotline at 800-724-2288 or Owner Services for further assistance.

Please note our new office hours:

The Owner Services Department is available every day from 8 am until 6:30 pm. Pacific time at **800-240-9342**. You may also e-mail the department at **ownerservices@welkgroup.com**.

We've got News from the Lawrence Welk Resort Villas Vacation Owners Association

2009 has already brought some new improvements to our Lawrence Welk Resort Villas. The Association undertook a mini renovation of Broadway Hill unit numbers 169 through 220 during the maintenance week in January. New carpeting was installed, cushions and pillows were restored on all sofas and chairs, new area rugs were installed in the dining room and dishwashers were replaced. In addition, we are planning a conversion of the Kids Room at Broadway Hill into a Teen Center. The date for this has not been set yet, but this change will include new additions that will greatly enhance your family's vacation experience. The Management and Operations teams continue to assess the condition of the villa interiors and common area grounds to ensure we maintain the high standards you have come to expect.

Our Board of Directors election this year is for two open seats. Please be sure to complete the proxy ballot sent via mail if you will not be attending the annual owners meeting. The proxy needs to reach our office by September 30th in order for the votes to be counted in the election. The annual meeting will be held in the Welk Resort Theatre on October 5th, 2009, with registration at 12:30 pm. and the meeting beginning at 1:30 pm.

Please note the following important dates involving Association events for Lawrence Welk Resort Villa owners:

- **August 7th:** Mailing proxy and election materials
- **October 5th:** Annual Owners Meeting and Board of Directors election
- **November 2nd:** Mailing to all owners of 2010 assessment billings

Note that you cannot bank or reserve your vacation time unless all fees are paid in full. Please take a moment to check with us and bring your fees current to avoid any further late or collection fees.

Owner Services is offering a Swap Pool Program to assist our fixed week owners who:

1. Own a standard villa and have a need for handicapped facilities (supported by a physician's letter).
2. Own consecutive weeks in different villas and desire not to move each week.

Your request to participate in this program must meet one of the two criteria listed above, and not simply be to change your date or location. To activate this request contact Owner Services at (800) 240-9342, option #1 and request a Swap Pool Agreement.

For any questions or concerns please feel free to contact the **LWRV VOA office at (760) 749-9208** or via **e-mail at: lwrvvoa@welkgroup.com**.

From The Desk of...

Bill Palmer - Regional General Manager Welk Resorts

Wow, here we are already a couple months into the New Year! Where does the time go? 2008 was another good year for Desert Oasis with a variety of projects taking place and this year we started off with a bang. In August of 2008 we refurbished all 34 units in the Bougainvillea building and just one week into 2009 we refurbished all 30 units in the Tamarisk building. These refurbishments included new carpeting, all new furniture, artwork and lighting. We were also able to remove the wallpaper in all of the bathrooms and kitchens upgrading to paint in those areas. We also are proceeding with a more long term project of removing the wallpaper in all of the living rooms and bedrooms converting those areas to paint as well. Another project that has been underway for the last couple of years and will continue for the next couple of years is the upgrading of all the kitchen cabinets. All of these changes have been done with the guidance of a skilled design team to ensure that moving forward the units look fresh and updated. The feedback we have been getting on the new units has been outstanding and we look forward to completing the rest of the units over the next couple of years.

In addition to the work in the units, we will also be doing work in the pool areas over the course of the year. The focus of this project will be the decking. The adult pool area will receive new decking and the family pool deck areas will either be repainted or resurfaced (we are currently exploring options).

All of the aforementioned items are our ongoing commitment to ensure

the resort is kept in top notch condition for your ongoing enjoyment. These are also very important for our continued high ratings with the exchange companies.

We are pleased to announce that Desert Oasis has once again achieved Gold Crown status with RCI for the 2009 year which is important as it relates to your trading power with RCI. We also continue to be rated very highly by Interval International.

Another big change at Desert Oasis this year is the Internet service. After much input from the owners, the Board of Directors decided that this service should be provided at no charge. Starting January 1, 2009 wireless internet at the resort is now free. Additionally there is an internet desk in the activities center that all guests can use to check e-mails, search local attractions, print boarding passes, etc.

Next door at Cathedral Canyon Country Club they continue to offer outstanding

Desert Oasis Renovations

golf discounts to all Welk owners whether you are staying at the resort or just happen to be in town and are looking to golf. You can contact them at 760-328-6571 ext. 222 to make advanced tee times or to obtain additional information. They also have a full service restaurant with breakfast and lunch served daily from 8:00 am to 2:00 pm. They offer Wednesday night bingo with food service from 5:30 pm to 7:00 pm and bingo starting at 7:00 pm, Friday night dinners from 5:00 pm to 9:00 pm with live entertainment and a great Sunday brunch from 9:00 am to 2:00 pm (hours are subject to change based on time of year. Call 760-328-6571 to verify hours and to make reservations.)

For those of you that have already vacationed with us in 2009 we hope you enjoyed your stay and for those of you yet to arrive, my staff and I look forward to seeing you and helping you have a fun and memorable vacation.

A Great Way For Owners To Put Money In Their Wallet

As an owner, you have the option of listing one or more nights of your 2009 vacation ownership time which you are not going to use, we can offer for rental to the general public through Welk Resorts Villa Rentals Department. This program has been extremely successful, and many owners have continued to use this service year after year. When the vacation nights are successfully rented, the rental fees will be remitted directly to you less a commission. *It's a great way to put money in your wallet.*

"We have been owners at LWDO for about 8 years...The resort is clean beyond belief, the rooms and grounds are immaculate, and the staff is friendly and always attentive. We have never stayed at a resort with a better atmosphere than LWDO. Our home in the gray of winter is Oregon. We consider ourselves fortunate every time we stay here. The maintenance people are awesome, they respond immediately."

The Latest from the Villas at The Welk Resort Vacation Owners Association

We will continue to make improvements in 2009 to the Villas on The Greens units and the Boulder Springs recreation center, which we hope will enhance your vacation experience. In the month of March, the second half of the pool furniture at Boulder Springs will be replaced with new high quality pieces. Also during that week, the present Owners Lounge will be converted to a new Game Room, the present Game Room will be converted to a Kids Activity Room and the current Kids Room will be transformed into a beautiful new Owners Lounge. This change will enable kids to participate in activities while still being within the confines of the pool area and the expanded game room will include two new pool tables. In April we hope to complete the long-awaited twin to king bed conversion in 13 lock-off villas. The Management and Operations teams continue to assess the condition of the villa interiors and common area grounds to ensure we maintain the high standards you have come to expect.

Welk Resorts Has Gone Green

Welk Resorts San Diego has new initiatives in place to make their property more eco-friendly. With continued growth (over 33,000 owners and guests visited in 2008), Welk Resorts found it imperative to implement practices to reduce, reuse and recycle.

There are currently 9 recycling stations located throughout the resort, making it easy for owners and guests to recycle during their stay.

Changes have been made behind the scenes as well. Valet Services is responsible for Housekeeping duties and applies these 10 simple, but crucial steps in their practices:

- **Change light bulbs** to environmentally friendly, high-efficiency, low-consumption bulbs.
- **Install sub-metering devices** to measure laundry utility optimization and efficiency.
- **Customized wash formulas** for each linen type to increase linen longevity and reduce utility consumption.
- **NPE-free detergents** minimize harm to the environment.
- **Low-temperature detergents** reduce utility cost without compromising quality.
- **Monitor dryer performance** to ensure no loss of heat from dryer wheel (over drying wastes energy, damages linens, and increases costs).
- **Optimize lint procedures** to maintain dryer efficiency and keep lint out of the atmosphere.
- **Shut down equipment** to increase equipment life and save on utility costs.
- **Preventative maintenance programs** ensure equipment longevity, minimize unforeseen mishaps, and deliver maximum performance.
- **Invest in a water reclamation system** to combat the high cost of water, discharge costs and environmental concerns.

Welk Resorts San Diego has also made changes in their daily Operations. Bottled water has been replaced by pitchers of water in meetings, office paper is being recycled, and printing – such as the Welk Newsgram – is done on FSC certified papers (which ensures the paper contains fiber from well-managed and responsibly harvested forests). Please join us in our effort to reduce, reuse and recycle.
